Corn off the cob

No more husking and shucking with “Off the Cob” Fresh Kernel Corn — a new alternative to traditional ears of corn. The kernels come pre-washed in a microwaveable bag. “Off the Cob” is never frozen and has a chilled shelf-life of 14 days.

Supreme Cuts Mahwah, N.J.

Ingredients: Fresh Corn, Ascorbic Acid, Vitamin C, Table Salt, Citric Acid (To Maintain Color Retention).
